Atlantic County Crime Stoppers

Atlantic County Crime Stoppers is a non-profit organization run solely by volunteers, which offers cash rewards for tips leading to the arrest and indictments of persons involved in a crime.

About Us

Atlantic County Crime Stoppers is operated by a Board of Directors comprised of local citizens who are governed by their By-Laws, authorize disbursement of funds and procure ways of fundraising.

We are a member of Crime Stoppers USA, which spans the United States to build a network of local US programs that work together to help prevent and solve crime in communities and schools across the nation.

Our purpose is to use a combination of anonymity and monetary rewards to encourage individuals to come forward with information about crimes.

Get Involved without “Getting Involved!!!”

Too often, persons with vital information about crimes fail to contact the police because they fear retaliation or because they don't want to testify in court. The result of their reluctance is that many dangerous criminals who should be behind bars are still walking the streets. **CRIME STOPPERS** offers an alternative.

How To Report A Crime

There are two (2) ways to report a crime while remaining completely anonymous (confidential).

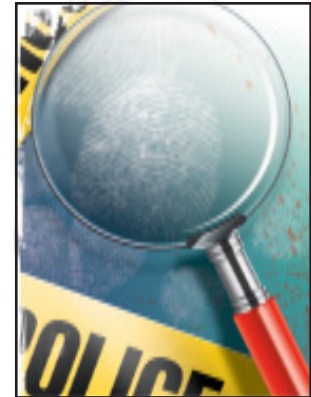

1. Call the tip line at **609-652-1234** or **1-800-658-TIPS (8477)** anytime, 24 hours a day, 7 days a week. (These phone lines have no recording device.)

2. Visit our web site at: **www.crimestoppersatlantic.com**
Click on the Red Tips button, there you will find an online form to fill out and submit your tip.

Cash rewards up to \$1,000 per incident are distributed anonymously to the person who gives information leading to an arrest and indictment. All online tips and callers

remain unknown with no pressure to reveal their identity. At the time of the incident report, the tipster will be given a code number. The caller or online tipster should check the status of their report periodically by emailing their code number to: **tips@crimestoppersatlantic.com** or calling back using their code number.

After the arrest and indictment, the tipster will be told how and where to pick up the cash reward. Crime Stoppers is unable to notify the tipster due to the fact that calls and online tips are not traced in any way.
